Work Trade Information & Application Form

The Work Trade Program at The Branches is part of our commitment to make yoga more accessible, offering classes in exchange for a regular shift at the studio. Please take some time to read the description of the Work Trade Program. If it feels like a good fit, complete and submit the Application Form to info@thebranchesyoga.com

We ask for a minimum commitment of 3 months (e.g., every Tuesday for 3 months) to be considered for the program.

Description

Work Trades commit to one 3-4 hour shift per week in exchange for a minimum of 8 in-person classes per month, unlimited virtual access and additional perks. Work Trades must be available for the same shift every week (e.g., every Tuesday from 5:30-9:30pm)

Work Trade duties include:

Greet -- welcoming new students to the space, providing information about our classes and programs, and assisting students with class purchases and merchandise.

Care -- regular cleaning of studio rooms, change rooms, and washrooms; sweeping and mopping of floors and stairs; dusting, vacuuming, and other cleaning tasks as needed.

Create -- developing or connecting to creative projects at the studio, as a way to share your unique gifts with the community! This can include working on creative signs and labels or something of your own imagination!

Remote -- perform administrative or creative tasks from home.

To be considered as a Work Trade you must:

- Possess excellent interpersonal and communication skills
- Be able to multitask and set priorities
- Feel comfortable working both on paper and with a computer
- Have a desire to share your gifts in community and to contribute towards a positive experience for yoga students
- Hold high standards of performance and the drive to complete tasks in a timely manner
- Enjoy individual work and teamwork
- Want to make a difference in the space; value contributing to the larger community.
